PART 1 Introduction and interview 4 to 5 minutes You are invited to sit down The examiner checks your ID The examiner tries to get you to settle down feel relaxed asking basic questions about your life your background family and so on

PART 2 3 to 4 minutes The examiner gives you a card with a topic written on it You have one minute to think about this topic and prepare what you are going to say Then you must speak about the topic for one to two minutes After you finish talking the examiner could ask some follow up questions

PART 3 4 to 5 minutes The examiner engages you in a discussion about topic that has the same general theme as of Part 2 In Part 2 you have only 1 minute to think about the topic before you start speaking Then you can speak continuously for between 1 and 2 minutes You can then spend more time thinking about and preparing how to answer that topic better After several iteration your score will go up very quickly

Success at IELTS Speaking Test Vishal Choudhary, 2017-09-16 This course is based on my experiences with training hundreds of students for IELTS tests I realized that a lot of students often face challenge with IELTS speaking test A large number of students who are good in English communication also faced difficulty with speaking test as they were not prepared enough for each question Thorough study of this book should not take more than four hours for a student however in four hours the student can improve his her score by at least 1.5 bands in speaking test Going through this book in details will help one reduce the pauses or thinking time help you to answer a question without sounding repetitive and will add better vocabulary to your speech Let us all be aware that a lot of questions are common or similar in nature in speaking test and it would be wise for the student to come up with the most suitable and accurate answer rather than giving a too lengthy or too short an answer Let us all keep in mind that we are allowed only a limited period of time to answer each question That is the reason we must be prepared well in advance to ensure our answers are to the point that is crisp and precise we also have to let the examiner understand that we use a wide range of vocabulary and are not repetitive We must keep in mind that being repetitive or taking too many pauses can reduce our chances of getting a higher band I am happy to present this book to you all so that you can see what are commonly asked questions and what could be a better answer to the question this will definitely help you in scoring desired band in IELTS Speaking test This book presents you with 160 commonly asked questions in IELTS speaking test and their suggested answers the answers have been presented in a manner that the Examiner will understand your depth in knowledge of English Language I strongly recommend my students to read each question think of a possible answer that they want to give and then read the answer that has been shared here this will help you prepare an accurate answer for the expected question As a bonus I have also added a list of Power words words that can replace simple words and may help you in getting a better band This book also has a list of Idioms and phrases we must remember that use of better Vocabulary and Idioms and phrases will help you in both Speaking as well as Writing tests What Can a Student Expect to Learn Students will be able to enhance their knowledge

gain confidence in presenting answers to questions in IELTS Speaking test You will learn how to construct and give the most accurate answer for questions You will be able to maximize their chances of getting a high score in IELTS speaking test You will be able to construct and present an answer even if they don't know much about the topic You will be able to use advanced vocabulary and synonyms You will be able to deal with difficult questions You will be able to present your ideas and connect it to the question asked
