The Extraordinary Life and Death of Sunanda Pushkar Sunanda Mehta, 2019-07-25 An extraordinary life A strange death The untold story of Sunanda Pushkar On 17 January 2014 Sunanda Pushkar businesswoman and wife of writer and politician Shashi Tharoor was found dead in her hotel suite in New Delhi Her death was as shocking as it was suspect spawning many a controversy and complex legal battles Her life was no less dramatic but far lesser known A culmination of material drawn from personal archives numerous interviews and investigation across continents this riveting biography attempts to answer the question Who really was Sunanda Pushkar Was she a social climber hankering after power and fame Or was she bold and unconventional achieving success on her own merit only to become a casualty of circumstance Was she a villain or a victim Or a bit of both In search of these answers Sunanda Mehta journalist and Pushkar's former schoolmate traces her subject's life from her early days in cantonment towns to her first two marriages a largely unknown stint in Canada her rise as a Dubai businesswoman and finally her much publicized years with Tharoor until her controversial death shook the nation Through the soaring highs and wrecking lows that marked her forty nine years Sunanda Pushkar lived with passion ambition and defiance This definitive biography is the account of her phenomenal life and its turbulent end **The Dirty Dozen N.**

Sundaresha Subramanian, 2024-04-26 The sensational rise and shocking downfall of India's twelve largest corporate defaulters In June 2017 the Reserve Bank of India sent shockwaves through the nation as it disclosed a list of the country's twelve biggest defaulters who were responsible for approximately a quarter of all bad loans in the Indian banking system The alarming discovery of the dirty dozen pulled back the curtain on the murky landscape of corporate irresponsibility and regulatory neglect revealing the harsh reality of gross economic disparity complacent governance and coordinated deceit In *The Dirty Dozen* business journalist N Sundaresha Subramanian investigates the cause and impact of India's chronic bad loan issue Recording the economic misadventures of Vijay Mallya Nirav Modi and Jatin Mehta among others he lays bare the intricate maze of financial chaos political plunder and malpractices that ail the country's corporate landscape In doing so he makes an eye opening diagnosis of the nation's financial health since liberalization In a country where millions struggle for basic sustenance *The Dirty Dozen* offers a brave hard hitting and much needed exposé of crooked business moguls who have orchestrated deeply damaging financial manoeuvres and amassed millions enjoying impunity nonetheless and leaving India's economy teetering on the edge From Bharata to India M. K. Agarwal, 2012-06 Continuing the narrative from Volume One

of *From Bharata to India* this second volume spans the years from the Muslim conquests down to the present era The Volume begins by contrasting the stifling theocracy of the Abrahamic religions Judaism and Christianity and of Islam to the pristine

ideation of compassion love and universal wellbeing inherent in the Vedic world The forced conversion of pagan peoples and their places of worship was consequently institutionalized by intolerance savagery barbarism cruelty and unparalleled brutality This cultural and religious Invasion shook the very foundations of the Vedic patrimony as the native Hindus adapted Alien lifestyles where Vedic values were repackaged as European and or Islamic Consequently the modern Indians began to despise what had once been their own legacy the Cradle of civilization and embraced imported modes of behavior The transformed native polity supported by foreign vested interests exploited their own country even more than the alien invaders As the Western world frees itself from the shackles of Middle Age conformism and depravity this second volume concludes that the eternal values of Vedic Bharata are to inspire the nascent Civilization of tomorrow Eastern introspection will replace then the Western tradition of a wholly other divinity Corrupt Inept Rudderless Politicians Sat

Sharma,2014-11-24 People living on the Indian subcontinent have been a sharply divided lot for a very long time in spite of belonging to the same established respected older civilization Our divisiveness resulted in inviting repeated assaults by uncivilized Arabs and savages from other parts of Asia This led to foreign subjugation for a millennium first by Islamic invaders and looters then by Europeans who came as traders but became rulers The entry of aliens led to unabashed proselytizing into their newer religions It may not be wrong to say that 99 percent of Muslims and Christians living on the subcontinent are converts from Hinduism that has been more a way of life rather than a watertight religion for two millennia or more This means todays inhabitants are from the same civilization and culturally speaking Hindustanis However a proliferation of alien religions did aggravate and compound divisiveness The British ruled the country for two centuries or so and did the maximum damage to our character morale and psyche After the First War of Independence the British promulgated pretty stiff laws especially the Police Act of 1861 to keep their slaves under tight leash Worse still they introduced Macaulay system of education in English to wean us away from our cultural moorings heritage literature moral values and our own Sanskrit language Indian social religious and educational reformers Raja Ram Mohan Roy Swami Sahjanand Bankim Chandra Chatterjee Swami Dayanand Sarasvati Swami Vivekananda and Rishi Aurobindo Ghosh as well as the likes of them brought back the pride of our civilization and culture Their influence was apparent from the beginning of 19th century in the fields of politics public administration and education as well as strengthening Hinduism This first awakening from slumber or hibernation ignited the minds of revolutionaries who selflessly and untiringly worked hard on the soils of the subcontinent and the foreign lands culminating in throwing out deeply entrenched British lock stock and barrel Not so nationalistic but opportunistic Congress party led by their self serving trio of stalwarts Gandhi his adopted son Nehru and lieutenant Patel got the subcontinent partitioned and formed government in divided India Congress party ruled but NOT served Hindustan for 90 percent of the time since independence by strictly following British Divide and Rule policy to perfection without changing improving archaic British laws Being communal Congress aggravated the divisiveness thus

bringing untold misery to the masses in the form of communal strife and Hindu Muslim riots repeatedly The prolonged misrule by those corrupt inept rudderless politicians including the decade under its economist dummy PM heading the most corrupt and arrogant government ever in the history of independent country brought in lawlessness fragile environment grossly inadequate infrastructure increasing terrorism and Maoism Naxalism ever mounting inflation sky rocketing corruption gargantuan scams bankrupt economy policy paralysis stalling of reforms and what not The absolute number of the poor today is far more than total population of newly born country in 1947 This grave crisis like situation warranted a second awakening in 21st century Expectedly Hindustanis rose to the occasion once again decimated the corrupt Congress and voted for a change by electing a visionary strong and honest PM from BJP with a thumping majority This gentleman is a dynamic focused highly optimistic staunchly nationalistic real leader unlike the pygmies of Congress The task ahead is dauntingly stupendous Modi started showing promise during his first 60 days The damage done in 60 years may take ten years if not more to repair and actual proper turnaround thus placing this once great country on track to reclaim its lost genuine glory Although independence was ushered in 67 years ago yet freedom is still awaited That will require imminent electoral intellectual judicial police political and social reforms together with building moral character and bringing meritocracy in every appointment by doing away with the Congress policy of favours quotas and reservations for the undeserving Very much like Narendra Modi the first PM to be born after independence and heading the youngest India educated ministry all of us have to remain optimistic and vigilant We must perform our duties diligently as law abiding faithful but demanding citizens alive to the times

Bharatiya Pragna ,2006 The Collected Works of Dr Subramanian Swamy Subramanian Swamy,2024 **Dr.Manmohan Singh- A Decade of Decay** M.R.Venkatesh,2013-07-11 This Book is a compilation of select articles authored by M R Venkatesh mostly in Rediff com To the reader his writings offer a ring side view of the debilitating state of affairs in India under the leadership of Dr Manmohan Singh With a persuasive passionate and powerful style of writing the author demystifies the challenges confronting India and Indian economy in a manner that is comprehensible even to the layman Making a strong case for a small yet effective government Venkatesh canvasses for sweeping economic administrative and judicial reforms while simultaneously pointing out to the gargantuan failures of Dr Manmohan Singh s administration Written between 2011 and 2013 these articles capture India s precipitous decline in various spheres caused by a singular lack of willingness and capacity to govern In a refreshing departure from the known suspects who end up merely being critical of the Government he also offers various alternatives to the challenges confronting the country Needless to emphasize while his suggestions are eminently debatable the fact remains that these proposals are sure to secure necessary traction in days to follow The Toynbee like sweep of the subjects dealt by Venkatesh in a precise succinct and incisive manner makes this book a compelling read The foreword of this book has been authored by Dr Subramanian Swamy
