Classroom Warm-Ups Linda Lee Shoop, Deborah Wright, 1999 Ready to use ice breakers that loosen up young people and prepare them to learn Improving Teacher Education Through Action Research Ming-Fai Hui, David L. Grossman, 2008-02-19 This book presents a broad overview of a variety of methodologies that can be used to improve teacher preparation and professional development programs **Teacher as Activator of Learning** Gayle H. Gregory, 2016-02-11 Flip the Switch How to Get Students Into Learning Mode Now In his well known meta analysis John Hattie suggests that facilitating learning is not as effective or powerful as activating learning In this book Gayle Gregory shows you how to facilitate better and deeper learning Packed with practical strategies that teachers can use every day to increase student achievement you will also discover what educational neuroscience says about nurturing a growth mindset and creating classrooms that support and encourage students to take risks and fail forward Learn how to Foster student dialogue and thinking Orchestrate productive reflective flexible student groups Develop respectful learning relationships between and among students and teachers Teacher competencies and clarity related to student goals and success criteria with quality feedback are essential for student success This resource will enrich learning environments for students and increase the chance of success for all In going from teachers as fount of knowledge to teacher as facilitator the field has overcorrected Gayle Gregory corrects all that with a comprehensive and deep portrayal of the need for teachers to be activators of learning in partnership with students Based on equal measure of research and practice Gregory gives is a compelling set of ideas and tools to maximize student learning and engagement Read it and hit the ground running Michael Fullan Professor Emeritus OISE University of Toronto El-Hi Textbooks & Serials in Print, 2003 ,2003 **Teaching Students who are Exceptional, Diverse, and at Risk in the General Education Classroom** Sharon Vaughn, Candace S. Bos, Jeanne Shay Schumm, 2007 Based on the belief that even small accommodations make a difference in the success of students with disabilities this text provides classroom teachers with the knowledge tools and practical strategies that will empower them to spark learning in every student From students with disabilities culturally diverse students and students with limited English proficiency to economically disadvantaged students Vaughn Bos Schumm provides teachers with the tools they need in their diverse classrooms Revised to reflect recent changes in the law IDEA 2004 a new chapter on Developing Independence in Learning an all new Tech Tips features that has received rave reviews a revised chapter Managing Student Behavior that emphasizes school wide behavior management and positive behavioral support an expanded chapter on Collaborating and Coordinating with Other Professionals and Family Members with increased coverage of co teaching a revised chapter on Planning and Grouping Strategies for Special Learners that reflects an increased emphasis on grouping and expanded coverage of secondary education via chapter opening interviews new photos and new examples throughout the text *Resources in Education* ,1993 Children's Books in Print, 2007 ,2006 **In Case You Teach English** Larry R.

Johannessen, Thomas M. McCann, 2002 The first new casebook in more than ten years it contains twenty current cases that present real classroom dilemmas English teachers are likely to encounter in today's classroom The casebook is designed to help new and experienced English teachers become thoughtful and reflective practitioners who are well equipped to deal with complex and current problems A grades and issues matrix identifies each case according to middle or high school grade level and indicates the issues on which they focus Twenty current cases represent real teaching dilemmas with no easy solutions so teachers can benefit from thinking through the dilemmas and developing possible solutions and consequences with other teachers Focus questions and discussion questions accompany each case For new and experienced English teachers
