Irrationality Justin Smith-Ruiu,2020-12-01 From sex and music to religion and politics a history of irrationality and the ways in which it has always been with us and always will be In this sweeping account of irrationality from antiquity to the

rise of Twitter mobs and the election of Donald Trump Justin Smith argues that irrationality makes up the greater part of human life and history Ranging across philosophy politics and current events he shows that throughout history every triumph of reason has been temporary and reversible and that rational schemes often result in their polar opposite Illuminating unreason at a moment when the world appears to have gone mad again Irrationality is timely provocative and fascinating
