courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously

documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus's deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis

*Cry of the Elephant Man* Erik L. Strandness MD MATH, 2016-06-30 We are in danger of losing our identities as unique beings created in the image of God Our culture not wanting to answer to a higher authority tries to expel God from the planet but in the process strips off the very image that makes us human If we officiate at the death of God we will also be forced to preside over the funeral of man The good news is that despite the loud voices declaring that we are just evolved animals the vast majority of us behave as if we are special Since the characteristics that make humans unique are found nowhere else on the planet we are compelled to look to the heavens We have a choice we can find significance running with the pack or in becoming children of God We can howl at the moon or offer prayers to our Father but either way we will end up worshipping our maker Dr Strandness explores what it means to be created in the image of God by examining those qualities that are universally recognized as unique to humankind He makes the case that these characteristics have a heavenly origin and can only be adequately explained by a Biblical understanding of humans as Gods image bearers
