Sectas Y Sectarios Psicopatología De Un Fenomeno Esclavizante:

Sectas y sectarios Salomé Benoit, Santiago Raúl Cancrini, 2013 **Sectas. El universo de las religiones presuntas** Cristóbal M. Calvo, 2016-10-27 El verdadero peligro del movimiento sectario es aquel que se encuentra en el día a día y resulta difícil de identificar a simple vista pues hemos considerado verdades que no lo son tal Pero estamos en lo cierto somos capaces de reconocer una secta cuando les son los signos que nos pueden alertar Y nuestros hijos familiares o amigos sabremos reconocer si son objeto de una captación En la actualidad existen más de 35 000 organizaciones censadas en todo el mundo como sectas de las que aproximadamente 130 se encuentran en España en un número que crece anualmente Este trabajo realiza un recorrido por las sectas y movimientos religiosos más relevantes y peligrosos Con frecuencia una comunidad de este calibre se enmascara como empresa u organización ordinaria Cualquier persona con independencia de su edad y nivel económico puede caer en su red El individuo es más vulnerable durante los periodos de cambio en su vida Este libro enseña a distinguir una secta de cualquier otro grupo o asociación describe qué tipo de personas son más susceptibles de dejarse seducir y aporta las claves para ayudar a los afectados a liberarse de la dependencia o por lo menos a crear una alerta Manual imprescindible para el conocimiento y estudio del movimiento sectario para todos los públicos y perfiles Llamemos por su nombre a cada cosa **Las sectas en Derecho penal** Carlos, Bardavío Antón, 2018-01-01 La presente obra estudia la siempre polémica fenomenología de las sectas desde la ciencia del Derecho penal en un intento de tratamiento global sin desdeñar los enfoques filosóficos psicológicos psiquiátricos sociológicos y criminológicos Se confrontan en las sectas los aspectos penales de la autoría de conciencia por convicción y del enemigo a través de un elemento más común de lo que pudiera parecer los delictos de socialización Estos delictos muchas de las veces no pueden ser atribuidos al propio sujeto sino a la configuración misma de la Sociedad delictiva de comunicación normativo o a un tercero cuando media una figura delictiva autónoma la persuasión coercitiva delictiva de socialización atribuible a tercero Las soluciones halladas en esta investigación se han confrontado en las organizaciones criminales sectarias resultando sorprendentes y novedosas conclusiones dogmáticas en su tratamiento penal y en la autoría y participación En definitiva en esta obra se han tratado todas las cuestiones que han sido planteadas sobre la fenomenología criminal de las sectas y sus miembros especialmente las contingencias de las conductas sectarias libres y coaccionadas Jóvenes Sectarios Salomé Benoit, 2014-07-17 Que razones conducen a un joven a ingresar en una secta Como descubrir si ha sido captado por un nuevo movimiento religioso Que técnicas psicológicas utilizan para el lavado de cerebro Como prevenir el fenómeno sectario Que daños ocasionan estos grupos Como ayudar eficazmente a un afectado Tras el éxito de *Sectas y sectarios* Salomé Benoit presenta en *Jóvenes sectarios* una investigación aun más profunda sobre este flagelo esta vez basada en las enseñanzas de quien fuera el más reconocido experto en esta materia José María Baamonde iniciador de la Fundación Spes Servicio para el Esclarecimiento en Sectas Psicología de las sectas César Vidal, 1993 **¡Captados!** Miguel Perlado, 2020-01-28 Qué es exactamente una secta Cómo sabemos si una persona forma

parte de este tipo de grupo o movimiento Qui nes son m s susceptibles de ser seducidos por colectivos basados en nexos de dependencia y control Qu mitos rodean a las sectas Algunas terapias alternativas pueden derivar en un funcionamiento sectario Qu papel desempe an hoy las redes sociales en los procesos de captaci n Este libro es una extraordinaria gu a acerca de las sectas grupos que exigen de sus miembros una convicci n devoci n y dedicaci n que pueden perjudicar hasta extremos realmente peligrosos tanto a los adeptos como a sus allegados y familiares Aunque estamos ante un fen meno globalizado existen diferentes tipos de agrupaciones o movimientos sectarios y diversos perfiles de seguidores La amplitud y complejidad del tema exigen una aproximaci n clara y rigurosa como la que nos ofrece Miguel Perlado uno de los mayores especialistas en la materia En un esfuerzo por romper con el silencio o la simplificaci n de un fen meno que puede afectarnos a todos este libro constituye un valioso manual para entender de qu hablamos cuando hablamos de una secta y c mo podemos evaluar los riesgos en estos casos *Místicos y sectarios* Pasquale Rossi,1905
