Williams,Jonathan Brown,2013-05-13 Offering a fresh approach to bringing life to schools and schools to life this book goes beyond touting the benefits of learning gardens to survey them as a whole systems design solution with potential to address myriad interrelated social ecological and educational issues The theoretical and conceptual framework presented creatively places soil at the center of the discourse on sustainability education and learning garden design and pedagogy Seven elements and attributes of living soil and learning gardens are presented as a guide for sustainability education cultivating a sense of place fostering curiosity and wonder discovering rhythm and scale valuing biocultural diversity embracing practical experience nurturing interconnectedness The living soil of learning gardens forms the basis of a new metaphoric language serving to contest dominant mechanistic metaphors presently influencing educational discourse Student voices and examples from urban schools provide practical understanding of how bringing life to schools can indeed bring schools to life

Parallel Curriculum Units for Language Arts, Grades 6-12 Jeanne H. Purcell,Jann H. Leppien,2009-08-25 The Parallel Curriculum Model PCM holds the power to help students and teachers see the whole of what they are learning We invite practitioners to read more about this model and join us on a professional journey that we believe will yield that joy and wisdom that comes from seeing the whole To address the varying needs of teachers across the K 12 grade span as well as different content areas we decided to create a series of curriculum units based on PCM that could be used by practitioners It is our hope that the lessons not only underscore important and discipline specific content but also illuminate the four parallels in unique and enduring ways From the Introduction Design exemplary language arts lessons based on the Parallel Curriculum Model Want to create rigorous learning opportunities for students in language arts based on a deeper understanding of pedagogy and curriculum design As demonstrated in the best selling book The Parallel Curriculum the Parallel Curriculum Model PCM allows teachers to determine student performance levels and design intellectual challenges that help students develop expertise in specific subject areas Parallel Curriculum Units for Language Arts Grades 6 12 provides sample language arts units written by practicing teachers to demonstrate what high quality curriculum looks like

within a PCM framework Covering a variety of topics including narrative voice literary criticism and writing original pieces these field tested units each contain Teacher rationales explaining the unit design Connections to concepts skills and national or state standards Step by step directions for delivering the lessons and unit Modification strategies assessments and reproducibles Use these examples to design your own units and deepen your understanding of how the PCM framework helps tailor curriculum to the abilities interests and learning preferences of each learner **Story** Katie Cunningham,2023-10-10

Stories are all around us From our digital newsfeeds interactions with one another to watching a movie or listening to a curated playlist we see and hear different tales told to us in various ways In her book *Story Still the Heart of Literacy Learning* author and teacher Katie Egan Cunningham reminds us that when we bridge reading strategies with the power of story we can deepen literacy learning and foster authentic engagement with students Cunningham shows how to create classrooms of caring and inquisitive readers writers and storytellers Inside you ll find How to build a diverse multicultural classroom library that reflects all voices through rich purposeful and varied texts Numerous examples of multi genre and multi modal stories from children s and young adult literature A practical toolkit at the end of each chapter to demonstrate how to make stories come alive in any classroom Throughout the book Cunningham shares her experiences as a teacher literacy specialist and staff developer and how building and talking about stories brings them to life She honors the importance of teaching strategies to read different kinds of text to write across genres and to speak and listen with purpose while reminding us about the importance of story *Seedfolks* Joyce Friedland,2007-01-01 Use Novel Ties study guides as your total guided reading program Reproducible pages in chapter by chapter format provide you with the right questions to ask the important issues to discuss and the organizational aids that help students get the most out of each book they read

The Art of Coaching Teams Elena Aguilar,2016-02-16 The missing how to manual for being an effective team leader The Art of Coaching Teams is the manual you never received when you signed on to lead a team Being a great teacher is one thing but leading a team or team development is an entirely different dynamic Your successes are public but so are your failures and there s no specific rubric or curriculum to give you direction Team development is an art form and this book is your how to guide to doing it effectively You ll learn the administrative tasks that keep your team on track and you ll gain access to a wealth of downloadable tools that simplify the getting organized process Just as importantly you ll explore what it means to be the kind of leader that can bring people together to accomplish difficult tasks You ll find practical suggestions tools and clear instructions for the logistics of team development as well as for building trust developing healthy communication and managing conflict Inside these pages you ll find concrete guidance on Designing agendas making decisions establishing effective protocols and more Boosting your resilience understanding and managing your emotions and meeting your goals Cultivating your team s emotional intelligence and dealing with cynicism Utilizing practical tools to create a customized framework for developing highly effective teams There is no universal formula for building a great team

because every team is different Different skills abilities personalities and goals make a one size fits all approach ineffective at best Instead The Art of Coaching Teams provides a practical framework to help you develop your group as a whole and keep the team moving toward their common goals *The Narrative Writing Toolkit* Sean Ruday,2016-03-31 In order for students to write effective narratives they need to read good narratives In this practical book you ll find out how to use mentor texts to make narrative writing instruction more meaningful authentic and successful Author Sean Ruday demonstrates how you can teach elementary and middle school students to analyze the qualities of effective narratives and then help them think of those qualities as tools to improve their own writing You ll learn how to Introduce your students to the key features of a successful narrative such as engaging the reader organizing an event sequence and crafting a strong conclusion Assess students writing by evaluating the specific attributes of an effective narrative Make narrative writing an interactive student driven exercise in which students pursue their own writing projects Use mentor texts to help students learn the core concepts of narrative writing and apply those skills across the curriculum Encourage students to incorporate technology and multimedia as they craft their narratives The book is filled with examples and templates you can bring back to the classroom immediately as well as an annotated bibliography with mentor text suggestions and links to the Common Core You ll also find a study guide that will help you use this book for professional development with colleagues Bonus Blank templates of the handouts are available as printable eResources on our website <http://www.routledge.com/9781138924390>
