Health Service Marketing Management in Africa Robert Hinson, Kofi Osei-Frimpong, Ogechi Adeola, Lydia Aziato, 2019-12-06 Health Service Marketing Management in Africa 978 0 429 40085 8 K402492 Shelving Guide Business marketing imperatives in healthcare management product and pricing management in healthcare distribution and marketing communications in healthcare managing people in healthcare physical evidence and service quality management in healthcare and process management in healthcare

Marketing Higher Education Paul Sergius Koku, 2022-07-15 This book provides a comprehensive and accessible guide to marketing Higher Education institutions discussing how universities are service providers and how education is a service both of which need to be defined and marketed together Unlike the current offering available on the subject this book provides a uniquely applied approach linking the theory of marketing practice to the Higher Education sector through real life case studies and examples Each topic is covered in depth including marketing segmentation pricing location brand management internationalization and expansion Overarchingly the book considers how to develop and promote the university as a product and as a brand Two case studies from real life universities in a broad range of locations are provided at the end of each chapter alongside questions to aid understanding and application Holistic and practical Marketing Higher Education is an ideal guide for academics and students studying services marketing Higher Education management and leadership and marketing in the public sector It will also be an invaluable resource for professionals working in Higher Education administration looking to develop their skills and understanding of marketing and brand building

The Digital Transformation of Banking Bilal Sucubaşı, Andrijana Bojadzievska Danevska, Savica Dimitrieska, Elena Parnardzieva Stanoevska, 2025-08-28 The banking sector is evolving rapidly due to technological advancements regulatory changes and shifting customer expectations This book addresses these changes by comprehensively analysing key areas where technology intersects with banking It provides a detailed and insightful examination of how technological advances have historically impacted and continue to shape the banking sector It offers an up to date analysis of emerging trends such as Central Bank Digital Currencies CBDCs and artificial intelligence AI helping stakeholders make informed decisions It presents practical insights and strategies for bank marketing and risk management in the contemporary environment Further it underscores current and future trends and highlights the opportunities ethical considerations and challenges when banking and advanced technology meet The book employs frameworks and models

applicable across multiple disciplines for example using risk management frameworks that incorporate both financial and technological risks making the analysis more holistic By engaging with a wide range of stakeholders including reports from policymakers financial institutions consultancies and technology providers the research addresses practical concerns and is grounded in real world challenges and opportunities Finally the use of case studies from different countries and industries provides practical examples that illustrate how interdisciplinary concepts are applied in real world scenarios This method helps bridge theoretical knowledge with practical applications The book proposes specific policy recommendations based on the analysis of CBDCs and risk management practices and the research findings and insights contained in it are accessible and actionable for a broad audience including academics researchers and students as well as policymakers financial institutions and technology providers

Internal Marketing Tatsuya Kimura, 2017-04-21 Establishing developing or promoting a brand or product in a market stems from aligning of divisions within an organization with the perspective of providing value to customers an idea which is known as internal marketing Unlike external marketing internal marketing ensures that organizational divisions are aligned in the marketing strategies so that the resultant external marketing is effective and not impeded by internal shortcomings This book provides a comprehensive review of internal marketing research and illustrates the role of internal marketing in enhancing the capabilities of a company's internal resources Putting forward a guiding principle for business practices by considering such questions from a multilateral perspective this book is a must read for practitioners and academics alike

Achieving Service Excellence C. M. Chang, 2013-11-20 As the service sectors play an increasingly important role in all economies worldwide service executives and professionals are well advised to recognize two main pathways to achieving sustainable success in services The first path requires enhancing the strategic differentiation and operational excellence of their service enterprises the second requires that these executives and their employees develop the knowledge and skills needed to achieve such success Specifically this book discusses actionable methodologies needed to generate creative ideas including deciding on which ones to pursue on how to justify projects financially on how to manage the development projects for innovative services and on how to reach out to customers and offer them superior service support
