Commentary to the Faith of Shia Islam by Allama Al-Muzaffar Sheikh Mateen Charbonneau, 2018-07-30 The book Aqaed Imamiyya by Allama Muzaffar is a great book outlining the faith of Shia Islam It is usually studied in the first years of Howza Ilmiyya seminary The book is a very brief outline of our beliefs and thus the teacher usually expands on the subjects to give further knowledge to his students I originally studied this text with Sheikh Mustafa Akhound in early 2014 In 2016 I was asked to teach this book for Imam Mahdi Online Howza I started preparing my lessons to record and decided to make them into book form for everyone to benefit from them The formatting of this book is as follows the original Arabic text is presented first the translation of the text is second bracketed in bold text and lastly is my commentary of the text which is in regular font When looking at each topic I chose to bring more evidences to support the proofs of Allama Muzaffar in attempt to remove any shadow of a doubt within the readers mind I brought Quranic verses narrations logic and various scholars opinions I also addressed some common doubts and misconceptions that people have in hopes to erase those doubts Lastly I brought moral and ethical points to show the practical application of some of these topics that Allama Muzaffar has brought within his book
