

Short Story Analysis

One of the best ways to improve yourself as a writer is to learn from other writers and adapt their ideas and strategies for your own stories.

The more you read, the better at your craft you will become.

We will explore a short story today called 'The Necklace' by Guy de Maupassant

Read the first paragraph and the opening to the story.

What do you think this story is going to be about? Why?

How has the writer introduced the story?

Why might this be an effective opening to the story? Provide examples.
