Show Your Work A By Austin Kleon:

Show Your Work! Austin Kleon, 2015-11-04 Kata Edgar Allan Poe sebagian besar penulis takut jika proses berkaryanya diketahui orang lain Sementara itu Pablo Picasso kerap membuat orang yang berkomunikasi dengannya justru kehilangan energi dan motivasi berkarya Ya keduanya memang maestro legendaris tapi sekarang bukan saatnya lagi berkarya ala mereka Bukan juga zamannya Mozart sang genius musik Ini eranya kamu siapa pun kamu bisa berkarya Lalu apa kuncinya Tunjukkan saja Di zaman keterbukaan ini semua orang punya kesempatan sama untuk jadi hebat Jangan sembunyikan proses kreatifmu Undang orang-orang untuk melihatnya Jangan khawatir kritik karena itu bahan pelajaran buatmu Ide yang menurutmu tidak menarik siapa tahu luar biasa bagi orang lain Lebih dari itu karyamu juga bisa menginspirasi orang lain Jadi tunggu apa lagi Tak perlu ragu atau malu Berbagi karya membuatmu kaya Semakin banyak kamu memberi semakin banyak yang kembali kepadamu Paul Arden Mizan Noura Books Karya Hidup Berkarya Kerja Indonesia [Summary of Austin Kleon 's Show Your Work!](#) Everest Media, 2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The myth of the lone genius is that an individual with superhuman talents appears out of nowhere and creates a masterpiece But creativity is a collaborative act and good work is not created in a vacuum 2 Amateurs are the ones who are willing to try anything and share the results They take risks experiment and follow their whims They know that contributing something is better than contributing nothing 3 The best way to get started on the path of sharing your work is to think about what you want to learn and make a commitment to learning it in front of others Find a scene pay attention to what others are sharing and then start taking note of what they're not sharing 4 When the late film critic Roger Ebert went through several intense surgeries to treat his cancer he lost the ability to speak He lost his voice permanently but he still wanted to communicate with the world He wrote thousands of words about everything he could think of on his blog **Steal Like an Artist** Austin Kleon, 2012-02-28 Unlock your creativity An inspiring guide to creativity in the digital age Steal Like an Artist presents ten transformative principles that will help readers discover their artistic side and build a more creative life Nothing is original so embrace influence school yourself through the work of others remix and reimagine to discover your own path Follow interests wherever they take you what feels like a hobby may turn into your life's work Forget the old cliché about writing what you know Instead write the book you want to read make the movie you want to watch And finally stay Smart stay out of debt and risk being boring in the everyday world so that you have the space to be wild and daring in your imagination and your work Brilliant and real and true Rosanne Cash **Summary** Ryan Mathis, 2017-12-18 You have finally created your masterpiece You've edited your work and had other professionals help you proofread it Now you need to promote your book One of the most difficult parts of being a writer is getting your work to the people so that they can read it Austin Kleon has the answer with his new nonfiction book Show Your Work 10 Ways to Share Your Creativity and Get Discovered Kleon brings the audience through the process of promoting themselves by sharing his

process and giving realistic advice and common sense in a positive and encouraging way Booklist has said Kleon's powerful advice makes this small format book not at all little The book takes very large ideas and makes them accessible to people in a variety of different fields by sharing his own lessons and advice In Kleon's previous work he explained how to be creative In *Show Your Work* Kleon shares his advice on how to promote yourself and your product specifically explaining his points in the writing world that he knows and loves He accomplishes his goal by using real examples of success and common sense

Steal Like an Artist 10th Anniversary Gift Edition with a New Afterword by the Author Austin Kleon, 2022-03-15 A 10th anniversary deluxe edition of the bestselling book to inspire creativity for artists and creatives of all types an oversized hardcover with ribbon marker hand drawn endpapers and a new afterword by the author [Show Your Work!](#) Austin Kleon, 2014-03-06 In his New York Times bestseller *Steal Like an Artist* Austin Kleon showed readers how to unlock their creativity by stealing from the community of other movers and shakers Now in an even more forward thinking and necessary book he shows how to take that critical next step on a creative journey getting known *Show Your Work* is about why generosity trumps genius It's about getting findable about using the network instead of wasting time networking It's not self promotion it's self discovery let others into your process then let them steal from you Filled with illustrations quotes stories and examples *Show Your Work* offers ten transformative rules for being open generous brave productive In chapters such as *You Don't Have to Be a Genius* *Share Something Small Every Day* and *Stick Around* Kleon creates a user's manual for embracing the communal nature of creativity what he calls the ecology of talent From broader life lessons about work you can't find your voice if you don't use it to the etiquette of sharing and the dangers of oversharing to the practicalities of Internet life build a good domain name give credit when credit is due it's an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age **Keep Going** Austin Kleon, 2019-04-02 *Keep Working Keep Playing Keep Creating* In his previous books *Steal Like an Artist* and *Show Your Work* both New York Times bestsellers Austin Kleon gave readers the keys to unlock their creativity and showed them how to become known Now he offers his most inspiring work yet with ten simple rules for how to stay creative focused and true to yourself for life The creative life is not a linear journey to a finish line it's a loop so find a daily routine because today is the only day that matters Disconnect from the world to connect with yourself sometimes you just have to switch into airplane mode *Keep Going* celebrates getting outdoors and taking a walk as director Ingmar Bergman told his daughter The demons hate fresh air Pay attention and especially pay attention to what you pay attention to Worry less about getting things done and more about the worth of what you're doing Instead of focusing on making your mark work to leave things better than you found them *Keep Going* and its timeless practical and ethical principles are for anyone trying to sustain a meaningful and productive life [Summary of Show Your Work!](#) SellWave Audio, 2025-09-28 In *Show Your Work* Austin Kleon builds on the ideas presented in his New York Times bestseller *Steal Like an Artist* offering a forward thinking and essential guide to taking the next step in your creative journey getting known

Where *Steal Like an Artist* focused on unlocking creativity through borrowing from others *Show Your Work* emphasizes why generosity not genius is the key to success in today's creative world Kleon reveals how to become findable shift from networking to using your existing network and most importantly how to use the act of sharing as a form of self discovery It's not about self promotion it's about opening up your process to others and inviting them to learn and take from you Filled with inspiring stories illustrations and practical advice *Show Your Work* offers ten transformative rules for being open generous brave and productive From chapters like *You Don't Have to Be a Genius* *Share Something Small Every Day* and *Stick Around* Kleon offers a user's manual for thriving in the communal nature of creativity what he refers to as the ecology of talent With lessons on finding your voice the etiquette of sharing and the risks of oversharing and practical advice on navigating the digital landscape such as building a solid domain name and giving credit where it's due this book serves as an inspiring manifesto for artists and entrepreneurs alike helping them succeed in the digital age
