

CIPS L4M1 - Question & Answer Past exam questions latest 2023/2023

1). Stakeholders

✓ Ans: In any activity an organization undertakes, whether strategic, operational or tactical, the activity can only be successful with the input, commitment and support of its key stakeholders. Gaining and maintaining the support and commitment of stakeholders requires a continuous process of engaging the right stakeholders at the right time and understanding and managing their expectations.

2). Global supply chains

✓ Ans: a dynamic worldwide network when a company purchases or uses goods or services from overseas. It involves people, information, processes and resources involved in the production, handling and distribution of materials and finished products or providing a service to the customer.

3). Whole life costing

✓ Ans: takes into account the total cost of a product or service over its lifetime, from concept through to disposal including purchase, hire or lease, maintenance, operation, utilities, training and disposal. It is important for procurement to take all these elements into consideration when making decisions and comparing the costs of buying, renting or leasing equipment particularly. In most cases the purchase costs are only a small proportion of the cost of operating it.

4). Stakeholder mapping

✓ Ans: A systematic way to identify the expectations, needs, importance, and relative power of various stakeholders.

5). Value generation

✓ Ans: Creating value from the supply base can be achieved by not only focusing on price but also increasing operational performance, driving efficiencies, working collaboratively or developing continuous improvement activities.
