Writing the City in British Asian Diasporas Sean McLoughlin, William Gould, Ananya Jahanara Kabir, Emma Tomalin, 2014-07-11 In 1962 the Commonwealth Immigrants Act hastened the process of South Asian migration to postcolonial Britain Half a decade later now is an opportune moment to revisit the accumulated writing about the diasporas formed through subsequent settlement and to probe the ways in which the South Asian diaspora can be re conceptualised Writing the City in British Asian Diasporas takes a fresh look at such matters and will have multi disciplinary resonance worldwide The meaning and importance of local multi local and trans local dynamics is explored through a devolved and regionally accented comparison of five British Asian cities Bradford the East End of London Manchester Leicester and Birmingham Analysing the writing of these differently configured cities since the 1960s its main focus is the significant discrepancies in representation between differently positioned texts reflecting both dominant institutional discourses and everyday lived experiences of a locality Part I offers a comprehensive yet still highly contested reading of each city s archives Part II examines how the arts and humanities fields of History Religion Gender and Literary Cultural Studies have all written British Asian diasporas and how their perspectives might complement the better established agendas of the social sciences Providing an innovative analysis of South Asian communities and their multi local identities in Britain today this interdisciplinary book will be of interest to scholars of South Asian Studies Migration Ethnic and Diaspora Studies as well as Sociology Anthropology and Geography

,2000 **Benn's Media Directory** ,1989 **Old and New Islam in Greece** Konstantinos Tsitselikis,2012-05-25 The legal and political habitus of Greece s Muslim population is discussed in a fascinating interdisciplinary historical overview of both indigenous minority and immigrant communities providing insights into the evolution and current state of minority and migration law The book also speaks in a piercing fashion to the scholarly debate on communitarianism and liberalism as Greece s sui generis legal tradition and embrace of community rights often runs contrary to the country s own liberal legal order and international human rights standards How notions of ethnicity and citizenship have been challenged by recent Muslim immigration is further explored The reader is therefore treated to a comprehensive analysis of minority rights pertaining to Old and New Islam in Greece within the European context **Engaging Pakistan** Ian Talbot,2025-11-04 Engaging Pakistan examines the role of British and American public diplomacy in Pakistan It focuses on case studies located in two periods 1955 1964 and 2008 2012 during which there was both intense public diplomacy activity and increasing public hostility particularly towards the United States Putting forth this juxtaposition of the two periods the study provides an opportunity for a fine grain analysis to contribute to wider theoretical and comparative studies of public diplomacy as well as provide valuable empirical material The author argues that limitations in the effectiveness of public diplomacy arise whenever foreign audiences perceive that a state s foreign policy actions are illegitimate and inconsistent with its publicly proclaimed values US unreliability in the 1960s and unilateralism four decades later undermined its soft power despite the successes of individual public diplomacy initiatives Anti Americanism in Pakistan is usually linked with the aftermath of 9 11 but this volume will reveal that public mistrust stretched as far back as the 1960s The Pakistani public trusted Britain far more so that even when unpopular policies were adopted there was not such a steep decline in its standing Despite less funding UK public diplomacy initiatives operated in a more favourable environment than that of the United States The book focuses on five main areas of public diplomacy activities that generate soft power namely communication information activities educational exchanges and assistance volunteering cultural performances and exhibitions and high profile visitors public engagement These activities are examined in case studies from either a single time frame or covering both periods A pioneering study of British and American public diplomacy in Pakistan in the early Cold War and later post 9 11 eras this book will be of interest to researchers on Modern South Asia international relations public diplomacy and diplomatic history as well as those interested in wider subjects ranging from Cold War studies to sports history **The 2010 Census Communication Contract** United States.
