Have you ever wondered why some people seem to effortlessly accumulate wealth while others struggle financially? Is the difference in their education, intelligence, skills, timing, work habits, contacts, luck, or business choices? The surprising answer: none of the above. In *Secrets of the Millionaire Mind*, T. Harv Eker reveals that the key to financial success lies in something far more profound: your money and success blueprint. According to Eker, everyone has a subconscious money blueprint that shapes their financial future. It's this hidden blueprint that determines whether you thrive financially or struggle regardless of your knowledge of marketing, real estate, stocks, or business. If your money blueprint isn't designed for high-level success, even if you do acquire wealth, you're likely to lose it. But the good news is you can reset this blueprint to align with natural, automatic success. *Secrets of the Millionaire Mind* is a two-part guide. In Part I, Eker explains how your money blueprint works and how your childhood experiences have influenced your financial mindset. Using a rare mix of street smarts, humor, and heart, Eker helps you identify your own money blueprint and shows you how to revise it to not only create wealth but more importantly, to maintain and grow it over time. In Part II, Eker introduces 17 Wealth Files, each explaining the specific ways that rich people think and act differently from those in the poor and middle classes. Each file includes practical steps you can take in the real world to dramatically increase your income and accumulate lasting wealth. If your current financial situation

isn't where you want it to be. *Secrets of the Millionaire Mind* provides the tools to transform your money blueprint. Without identifying and revising this blueprint, it will likely remain unchanged for the rest of your life. But with the help of this book, you can shift your mindset and start thinking and acting like the wealthy. According to T. Harv Eker, it's simple: think like the rich and do what the rich do, and you just might find yourself joining them. *Summary Of Page Essentials*, 2021-05-02.
