Separate Reality Further Conversations With Don Juan A Carlos Castaneda:

Separate Reality Carlos Castaneda, 2013-03-26 One can't exaggerate the significance of what Castaneda has done. The New York Times In this captivating work Carlos Castaneda shares the story of how he returns to don Juan to resume the journey necessary to become a man of knowledge venturing into the world of mystical sensation and perception to see beyond the surface realities of life. As the second volume in the intriguing twelve part series this book invites you to experience a reality beyond the ordinary. Delve into the profound teachings of the wise Yaqui Indian spiritual leader don Juan Matus as anthropologist Carlos Castaneda recounts his incredible apprenticeship. Through the exploration of hallucinogenic substances and ancient wisdom Castaneda challenges conventional perceptions leading readers into a deeply thought provoking journey of self discovery and consciousness exploration. Combining elements of anthropology and mysticism this masterpiece continues to captivate inspire and influence those seeking deeper understanding and enlightenment. **A Separate Reality** Carlos Castaneda, 1975 **A separate reality** Carlos Castaneda, 1975 **A separate reality** Carlos Castañeda, 1971 **The Universe Next Door** James W. Sire, 2009-05 In the fifth edition of his classic work Sire offers additional student friendly features to his introductions to theism deism naturalism Marxism nihilism existentialism Eastern monism New Age philosophy and postmodernism **Theory and Structure in Addiction and Cure** Adi Ann Berkovic, Shlomo Giora Shoham, Efrat Vignansky-Addad, 2019-01-03 This book will be of value to everyone interested in the prevention of addiction and the detection treatment and rehabilitation of drug addicts. It interprets and applies research findings about the causation and cure of drug addiction using the author's personality theory which is extensively compared with that of other personologists. The book includes the qualitative analysis of 12 addict case studies. It is especially timely in view of the need for effective legislation judicial procedures and treatment programs to deal with the opioid crisis in the United States and Canada. **Altered Consciousness in the Twentieth Century** Jake Poller, 2019-02-21 The twentieth century saw an unprecedented spike in the study of altered states of consciousness. New ASCs such as those associated with LSD and psilocybin mushrooms were cultivated and studied while older ASCs were given new classifications out of body experiences near death experiences psychokinesis extrasensory perception. **Altered Consciousness in the Twentieth Century** analyses these different approaches and methodologies and includes exciting new research into neglected areas. This volume investigates the representation of ASCs in the culture of the twentieth century and examines the theoretical models that attempt to explain them. The international contributors critically examine a variety of ASCs including precognition near death experiences telepathy New Age channelling contact with aliens and UFOs the use of alcohol and entheogens analysing both the impact of ASCs on the culture and how cultural and technological changes influenced ASCs. The contributors are drawn from the fields of English and American literature religious studies Western esotericism film studies sociology and history of art and bring to bear on ASCs their own disciplinary and conceptual perspectives as well as a broader interdisciplinary

knowledge of the subject The collection represents a vital contribution to the growing body of work on both ASCs and the wider academic engagement with millennialism entheogens occulture and the paranormal

The Curious Case of Dr. Castaneda's Twelve Pages of Field Notes F. Lawrence Fleming, 2023-01-05 My previous book about the author Carlos Castaneda *Making Sense of the Life and Works of Carlos Castaneda* F Lawrence Fleming published 2018 was an attempt to show that although evidence appears to show that Castaneda did actually work with a Yaqui Indian sorcerer the publications concerning his fieldwork were largely fraudulent In this present book I shall attempt to show what sort of person the character don Juan in the books by Carlos Castaneda may have been in real life and how his remarkable personal philosophy can be inferred from what I assert is Castaneda s grossly corrupted version of the teachings of Don Juan in his published works

A separate reality Carlos Castañeda, *Truth* Johnny George, 2017-11-27 As shattered fragments of a buried mirror may be cleaned and pieced together to portray a reflection so the book TRUTH clears away dirt and muck of untruth The author fits shards of knowledge like pieces of a puzzle to display what may be a very real reflection of ultimate high level truth In a search that has spanned over five decades there has been no agenda other than eliminating untruth to reveal a clear image of reality Pertinent facets of many many sources have been inter connected in the creation of this book The Bible Eastern philosophy the Dead Sea scrolls the Nag Hammadi texts the archives of Edgar Cayce and Seth American Indian Wisdom ancient Toltec knowledge science physics and quantum mechanics decades of magazine and news articles and such modern thinkers teachers and writers as Rhonda Byrne Depak Chopra David Deutsch Brian Greene Bruce Lipton Eckhart Tolle Neale Donald Walsch and many others TRUTH offers evidence that awareness of certain knowledge may awaken humanity to our natural progression in spirit Signs point to a path that can bring us to merge in a collective consciousness where the oneness of all may be realized where separate beliefs both spiritual and scientific may coalesce and be transcended where we may evolve to find our true nature as nonviolent spiritual beings When many signs point the same direction who would follow the one that doesn t When answers add up and make sense why do so many believe things that don t TRUTH has been said to be among the most informative the most comprehensive books ever written and has even been called the best book ever This new second edition is vastly improved over the first It includes a Preface with information about where the book came from and why it was written The new version also contains the results of more biblical research and quotes and many enhancements and additional details throughout

Shamans/Neo-Shamans Robert J. Wallis,2003-12-08 Robert J Wallis explores the interface between the new and prehistoric shamans of popular culture and anthropology drawing on interviews with a variety of practitioners particularly contemporary pagans in Britain and orth America *Mediality on Trial* Ehler Voss,2020-09-21 This volume addresses controversies connected to the testing of the capacities and potentials of mediums Today we commonly associate the term medium with the technical communication between transmitters and receivers Yet this term likewise applies to those who cooperate with agencies that exceed the presumed domain of the material world Insofar as one presumes a division between distinctly opposed categories of religion and the secular technical media tend to be associated with the secular and human trance mediums tend to be associated with religion after 1900 This volume concerns the ways in which the term medium still marks an overlapping of and thus problematizes the aforementioned division between religion and the secular the personal and the technological The term medium carries with it a seed of doubt that is itself inseparable from investment in the medium s power insofar as they communicate with an other realm mediums offer the hope and promise of new possibilities and improved efficiency and thus of a better life yet they have simultaneously been under suspicion of altering or even inventing the messages they communicate It is due to this combination of promise and suspicion that mediumism has tended to evoke scientific religious and moral controversies Thus we can speak of a mediumistic trial that is a process in which a medium is put to the test concerning its potentials and trustworthiness Around 1800 experts were asked if a modern secular institution would be capable of inspiring domesticating or excluding trance mediumship This question has stayed with us ever since and the answers have remained inconclusive That is why the past and present of mediumship may be asked to elucidate each other *Seven Myths of Native American History* Paul Jentz,2018-03-02 Seven Myths of Native American History will provide undergraduates and general readers with a very useful introduction to Native America past and present Jentz identifies the origins and remarkable staying power of these myths at the same time he exposes and dismantles them Colin G Calloway Dartmouth College *The Ayahuasca Guidebook* Sharon C. Keeney,2017-02-13 The fundamental concern of psychotherapy is change While practitioners are constantly greeted with new strategies techniques programs and interventions this book argues that the full benefits of the therapeutic process cannot be realized without fundamental revision of the concept of change itself Applying cybernetic thought to family therapy Bradford P Keeney demonstrates that conventional epistemology in which cause and effect have a linear relationship does not sufficiently accommodate the reciprocal nature of causation in experience Written in an unconventional style that includes stories case examples and imagined dialogues between an epistemologist and a skeptical therapist the volume presents a philosophically grounded ecological framework for contemporary clinical practice **Mind Travelers** J. Vincent Leroux,2014-06-24 A tasteful Sci Fi action adventure novel that explores life and death reincarnation out of body experiences and futuristic interior design playfully positing hi tech inventions and lifestyle of the future along side the physics of time travel Having stumbled on his ability to traverse time and space Victor ventures back twenty years inadvertently causing an undesirable present day alternate reality complete with criminals from the future who prey upon the innocent Upon his return Victor discovers the extensive damage he has caused and the need to go back and correct his mistake To right his wrong Victor first must train in the art of time travel and work with a team to orchestrate the correction of a twenty year time line gone awry I hope you enjoy this venture into Inner Space as much as I have enjoyed creating it Happy Reading Vince *Ordaining Reality* Joseph E. Donlan,2021-06-06 Many people believe in the power of positive thinking i e how thoughts and attitude can shape their future yet despite a plethora of books on this subject no previous author has credibly explained how mere thoughts are able to tangibly influence future events To explain the connection Dr Donlan presents a new paradigm of nature coupled with a viable explanation of how our right cerebral hemisphere has evolved circuitry that can tap into the hidden domain of the metaphysical To support this premise he exposes the reader to the worlds of physics metaphysics brain architecture and evolution Donlan then introduces the many problems associated with the current model and contrasts it with a new view which remedies many of the issues facing theoretical physicists today Important to its central theme the book s proposed paradigm supports the remarkable notion that the future can only be created with thoughts In the final analysis the author brings his readers through the necessary steps to put this knowledge to work to help them pre ordain their own realities
