Taking into account the emergence of new subjects and authorities, the editors have overhauled the contents and contributor lists of the previous edition to ensure this volume addresses all the necessary themes for the modern marketer.

Business Franchise Guide Commerce Clearing House, 1980 Branding Across Borders James R. Gregory, Jack G. Wiechmann, 2002

This title addresses how companies can effectively extend and manage their brand and their brand's value, the brand being the name, term, symbol, design or combination thereof that identifies a good or service and differentiates it in the marketplace within the global marketplace. A key issue in global branding is overcoming cultural and language differences in the establishment and execution of a branding message in different world markets. This challenge permeates all aspects of branding globally and impacts selecting which products/services to offer in particular markets, the methods of communicating about the brand, finding employees/contractors to handle the brand's management in different markets and measuring the effectiveness of the branding efforts.
