

FIFTH EDITION IN SI UNITS

Manufacturing Processes for Engineering Materials

Serope Kalpakjian and Steven R. Schmid

The bottom half of the book cover features an abstract, artistic background. It consists of numerous overlapping, translucent spheres in various shades of green and blue. These spheres are arranged in a way that creates a sense of depth and movement, with some appearing to be in the foreground and others receding into the background. The lighting is soft, giving the spheres a glossy, three-dimensional appearance.
