Mathematical Reasoning Level B 06907bbp, Douglas K. Brumbaugh, Linda Brumbaugh, 2007-01-18 Mathematical Reasoning helps your child devise strategies to solve a wide variety of math problems These books emphasize problem solving and computation to build the math reasoning skills necessary for success in higher level math and math assessments All books are written to the standards of the National Council of Teachers of Mathematics These highly effective activities take students far beyond drill and practice by using step by step discussion based problem solving to develop a conceptual bridge between computation and the reasoning required for upper level math Activities and units spiral slowly allowing students to become comfortable with concepts but also challenging them to continue building their math skills
