

**Martin's Menace or Four Fit - Stewart Coffin Design #217**  
by John Devost

This awesome tray design by Stewart is a classic puzzle design that has even stumped long time puzzle collectors.

There have been many laser cut and printed copies produced over the years but I thought I might make a few copies using my traditional method.

These are crafted using 3/4" cubes with my usual solid wood floating bottom and everything lacquered and triple buffed.

Plaster's is descriptive, from Stewart.
