Aftershock Investment Guide:

Aftershock's High Income Guide Andrew Packer,2012 Today s investment environment can be very difficult This guide can lead readers to investments that are often ignored simply because most people don t know about them The Aftershock Investor David Wiedemer,Robert A. Wiedemer,Cindy S. Spitzer,2012-09-25 Advice on protection and profits in the short and long term future from the experts who accurately predicted the financial crisis of 2008 and who now have more detailed information about what is yet to come From the authors who accurately predicted the domino fall of the conjoined real estate stock and private debt bubbles that led to the financial crisis of 2008 comes the definitive guide to protection and profit in 2012 and beyond Based on the authors unmatched track record of precision predictions in their three landmark books America s Bubble Economy Wiley 2006 Aftershock Wiley 2009 and Aftershock Second Edition Wiley 2011 their next book offers what readers have been clamoring for A detailed guide to how to put Aftershock in action with 14 new chapters on what investors need to know to survive and thrive in the next global money meltdown The Aftershock Investor shows readers Why recent actions by the U S Federal Reserve will eventually damage the dollar and hurt investors worldwide How future rising inflation and interest rates will harm your specific investments and what to do about it What s next for stocks bonds currencies commodities and other assets Detailed investment advice about real estate retirement annuities life insurance jobs and much more How to buy and own gold and silver before during and after the coming Aftershock How to profit rather than lose when so many asset bubbles collapse around the world Those who heeded the authors warnings last time were able to successfully ride out the financial crisis of 2008 and even cash in on the years that followed Now The Aftershock Investor offers readers a second chance at protection and profit in the next financial crisis ahead *Aftershock's High Income Guide* Andrew Packer,2013-10-01 Today s investment environment can be daunting at best Trying to find solid returns without the nasty associated risks can be extremely difficult The High Income Guide will lead you to investments that are often ignored simply because most people don t know about them In fact most financial experts don t even know about them Knowing your investment options however is just a start Each and every day brings new challenges which is why it is so important to monitor changing market conditions Learn strategies that can protect and grow your wealth giving you an edge an almost unfair advantage that few investors have Let Andrew Packer and his team of experts put you on the path to building your dream retirement *Aftershock* David Wiedemer,Robert Wiedemer,Cindy Spitzer,2009-11-13 From the authors who predicted with unmatched precision the domino impacts of the real estate stock market and other bubbles that led to 2008 s market meltdown comes the definitive look at what is still to come and what investors can do to protect themselves Just as many are wrongly forecasting a full recovery ahead Aftershock now updated and revised warns of a very different economic future Home prices and stocks will continue to fall inflation and unemployment will rise and the current recession will not automatically cycle back to recovery Unlike most books Aftershock goes beyond the outdated notion of

market cycles to help readers clearly recognize and quickly respond to the rapidly evolving economy Instead of going back to how things were before we are moving forward through uncharted territory with new challenges and opportunities few people anticipate The book shows you how to Protect assets before and during the second wave of the financial meltdown Make wise investment decisions regarding stocks bonds real estate and more Know which jobs careers and businesses will fare the best Profit from the collapsing bubbles Other titles by Wiedemer Wiedemer and Spitzer America s Bubble Economy Aftershock is easy to read entertaining and practical book guides readers to seek safety and profits in these evolving economic conditions

The Insider's Dossier Andrew Packer,2014-04-22 The Insider s Dossier will seamlessly guide you through investing alongside the most in the know professionals debunking the widespread myth that insider trading is illegal Not only is it legal when following proper protocol but author Andrew Packer helps you to decode the Wall Street lingo so that even the novice could easily follow corporate insiders for returns that significantly outperform the market year over year In easy tounderstand terms Packer describes The difference between legal and illegal insider trading How to evaluate insider activity in order to optimize your investment advantage The key to swiftly decoding SEC filing forms for up to the minute insider activity Understanding and utilizing web based technical analysis tools How to separate key insiders from the average corporate investor Investing beyond simple trades clearly and concisely explaining the ins and outs of options trading and much more About

Aftershock David Wiedemer,Robert A. Wiedemer,Cindy S. Spitzer,2014-03-10 From the authors who accurately predicted the bursting of the global bubble economy comes the definitive look at what lies ahead in 2013 and beyond Written by the market oracles who predicted with uncanny accuracy the global financial meltdown and the economic chain reaction it set in motion Aftershock offers a vivid picture of what to expect when the world s bubble economy inevitably pops More importantly it tells you how to protect your assets before and during the coming Aftershock and how to capitalize on the new opportunities that others will miss Building on the valuable insights and proven predictions of their previous books the authors of Aftershock Third Edition offer their latest thinking and advice as the economy moves even closer to the coming aftershock Explains why and how the stock market real estate consumer spending private debt dollar and government debt bubbles will burst driving up unemployment devaluing the dollar and causing deep recession around the globe Updated to include the latest developments such as new coverage of monetary stimulus and a more global focus with special attention to Europe and China Offers new actionable insights about protection and profits in an increasingly confusing investment environment
