Chrisholm,1911 **The Encyclopædia Britannica** Hugh Chisholm,1911 Everyone Loves Live Music Fabian Holt,2021-01-27 For decades millions of music fans have gathered every summer in parks and fields to hear their favorite bands at festivals such as Lollapalooza Coachella and Glastonbury How did these and countless other festivals across the globe evolve into glamorous pop culture events and how are they changing our relationship to music leisure and public culture In Everyone Loves Live Music Fabian Holt looks beyond the marketing hype to show how festivals and other institutions of musical performance have evolved in recent decades as sites that were once meaningful sources of community and culture are increasingly subsumed by corporate giants Examining a diverse range of cases across Europe and the United States Holt upends commonly held ideas of live music and introduces a pioneering theory of performance institutions He explores the fascinating history of the club and the festival in San Francisco and New York as well as a number of European cities This book also explores the social forces shaping live music as small independent venues become corporatized and as festivals transform to promote mainstream Anglophone culture and its consumerist trappings The book further provides insight into the broader relationship between culture and community in the twenty first century An engaging read for fans industry professionals and scholars alike Everyone Loves Live Music reveals how our contemporary enthusiasm for live music is more fraught than we would like to think 1000 Monuments of Genius Christopher E.M. Pearson,2014-11-24 Since the mythical Tower of Babel humans have continuously tried to erect monuments to match their oversized egos With ancient ziggurats the Taj Mahal or the Empire State Building man has for centuries demonstrated his force by raising structures for purposes both religious and profane As international cultural statements without words symbols of a peoples values devotion patriotism power symbols of a civilisation s grandeur these monuments still fascinate and attract an ever growing public who is captivated by the creativity and ingenuity of these architects and stonemasons Their historical message goes far beyond mere art history for they tell us of the lives and evolution of the peoples of the past as does the Parthenon in Athens many times destroyed rebuilt reused attacked pillaged and restored once again today This work featuring 1000 monuments chosen from around the globe retraces human history the techniques styles and philosophies necessary for the construction of so many splendours over the centuries providing a panorama of the most celebrated monuments while evoking the passion of their makers The reader can explore the changing values of humanity through the edifices it has built and understand these structures as triumphs of humankind The Encyclopaedia Britannica: Index ,1911 The last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view Unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained within its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books>
