After The Fire Hidden Cove Firefighters 1 Kathryn Shay:

Hidden Cove Firefighters Kathryn Shay, 2025-02-01 They're buried under ceiling plaster after a cave in. They're hurt in 911. And the chief is being sabotaged. But firefighters know how to survive. Mitch Jenn and Zach Malvaso struggle to do the job of a firefighter and find relationships that work for them. Captain Ian Woodward thinks his life is over after being confined to a wheelchair. But the firefighters of Hidden Cove have other ideas. So does one beautiful woman who won't take no for an answer. Everything's going wrong in the department and Chief Talbot knows it's not his fault. Then an investigator from Albany comes to town to find out why. Who knew sparks would fly. Will these strong, brave heroes be the winners in their personal lives as they are on the line.

In Too Deep (America's Bravest, Book 1) Kathryn Shay, 2011-11-16 Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. Read the novellas that resulted from her intense relationship with firefighters. Shay's powerful characters and emotional topics strike a chord with her readers and have earned her a well-deserved place among the top romance authors. Waldenbooks Romantic Reader IN TOO DEEP is the first novella in Shay's powerful new anthology AMERICA'S BRAVEST. All six novellas are available in a boxed set. In the Hidden Cove Fire Department, Gabe Malvaso is a favorite among firefighters. He's tough, fair, has a good sense of humor, and loves his work. But for eighteen months, he's avoided a member of his crew, Firefighter Rachel Wellington, despite his knife-sharp attraction to her. She is also drawn to him but is equally determined to keep things professional between them until they're trapped in a basement for a day, thinking they'll never be rescued. Then their feelings for each other explode like the building around them. Praise for Kathryn Shay's Firefighter Books: Readers will appreciate the powerfully written tense emergency situations. The Malvaso clan and the other key characters seem genuine in and out of emergency scenarios. Kathryn Shay pays homage to rescue workers with this exhilarating tale. Amazon Reader: Powerhouse author Shay follows up *After the Fire* with another dramatic and dynamic thriller. Her complex and unforgettable characters breathe life into this truly intense novel. Romantic Times Book Club: Superb contemporary romance that grabs you in the prologue and won't let go until you've read the final page. Bravo Ms. Shay. The Romance Readers Connection: One of the best running collections on the market today. Amazon Reader.

I enjoyed this story line; it was fast-paced, well-written, with characters whose story you cannot help but become invested in.
