Third Eye Chakra Richard Reikivic, Asana Swami, 2021-08-09 Do you know the importance of opening the Third Eye chakra? Do you know why you should develop the skills associated with an active Third Eye? If you feel unmotivated and constantly devoured by worries, anxieties, and fears, or you are convinced of being worthless, driven by materialism and mental rigidity, then this is the time to get to know the third eye and its important function. Ajna is our sixth chakra, also known as The Third Eye Chakra, because it is located right in the center of the forehead, to be exact in the area between the eyebrows. It governs all the organs located near this area, i.e., the eyes, the pineal gland, the hormonal system, and the central nervous system, consisting of the brain and spinal cord. From its center originate our ideas, omens, and intuition. Our inner guru, that is our wise and far-sighted part, resides precisely at this chakra. Ajna is in fact connected to everything related to intuition, creative imagination, concentration, and mental lucidity. Ajna's energy makes us more aware of the reality around us and allows us to know ourselves without being conditioned by momentary desires or needs. We are able to clearly perceive the here and now without any distortion and are able to elaborate ideas, opinions, discussions, and judgments with a critical and rational spirit. When, on the contrary, the Ajna chakra is blocked on a physical level, we can more easily run into

vision problems apathy depression chronic fatigue or insomnia and nervousness On a psychological level we easily lose our memory and let ourselves be carried away by fleeting thoughts easily distracted at the slightest stimulus We are constantly devoured by worries anxieties and fears and we are convinced that we are useless we are also seized by the obsession to measure and control everything driven by materialism and mental rigidity The greatest risk we run is to stop dreaming and lose idealism convincing us to reject any idea or stimulus This book shows you how to strengthen yourself and your awareness with simple exercises You will learn useful strategies to activate the pineal gland The third eye chakra opens the doors of the mind and trains imagination intuition and perception In this book you will learn What is the Third Eye What is the perception of the universe through the Third Eye Chakra Meditation The pineal gland Ways to heal and balance chakras Guided meditation techniques to open the third eye Secret tips for the Third Eye Chakra The Third Eye Chakra and daily life how to feed the Third Eye and MORE Who is this book suitable for This book is suitable for anyone who wants to inform themselves become more aware and take their mind to a more advanced level It is suitable for all those who care about their own well being and want more health possibilities If you want to use your intuition and see the universe with new eyes then this book is for you Scroll UP and click Buy now to finally discover your inner strength and change your life with the power of your Third Eye Third Eye Chakra Richard Reikivic, Asana Swami, 2020-03-16 Take a moment to reflect on your life are you truly happy and fulfilled Are you at peace with yourself Do you feel that you are living according to your best and highest purpose Awakening the third eye chakra or attaining enlightenment has long been the pursuit of many spiritual schools We might argue that it is more relevant today than ever before However nine times out of ten the answer is no It is ironic that we have countless conveniences and luxuries at our fingertips and yet our lives seem to be more hectic and complicated The amazing technologies and gadgets designed to make our lives easier are certainly great so why are so many of us over stressed and burned out We are under constant pressure to compete to be super parents great partners and spouses successful career people and reach high achievers We think that when we have achieved those goals we will be happy Ironically our modern lifestyle creates more worry and anxiety for us We worry about the future we fret about our finances and we fear to lose our jobs or possessions and the list goes on Stress has become the norm in our crazy consumer driven materialistic culture This is where awakening the third eye chakra can change your life it will enable you to create a calm haven within yourself where the madness of the world outside can never reach you You will gain the wisdom to understand that the mindless rat race is not your true calling You will gain more clarity knowledge and focus on what is truly meaningful and start to behave accordingly In short you will become your best possible self What exactly is the third eye It has been described as a gateway to non physical realms of inner consciousness inner wisdom and spiritual gifts It was referred to in the ancient Indian tradition as the eye of knowledge This is not knowledge gained from experience and learning in the physical world It can better be described as an awakening of one's insight and intuition that brings divine wisdom and
