Akinpelu Philosophy :

An Introduction to Philosophy of Education Ronald Woods, Robin Barrow, 2002-09-11 Published in the year 1988 An Introduction to Philosophy of Education is a valuable contribution to the field of Education Revitalizing Nigerian Education in Digital Age Soji Oni, 2012 Revitalizing Nigerian Education in Digital Age What most of the papers in this book have in common is the concern for the revitalization of Nigerian education in the digital age through ICT and other modern methods of making education functional and effective in the new modernity While some of the chapters deal with conceptual issues others consider the various role of education in this digital age and how Nigeria can be relevant Most of the chapters present well researched detailed and informative papers on how to reposition Nigerian education in the digital age Specifically the role of education in bringing Nigeria s new world about are discussed in simple language and then taken up in different forms all through the book Since Nigeria has to act fast and decisively to be on the same development and education wavelength as the other members of today s global family serious actions are being suggested in this book Revitalizing Nigerian Education in Digital Age simply means taking the above desiderata seriously Nigeria has a daunting task here in view of the heavy education burden This is the message that this book puts across **African Democracy** Jonathan O. Chimakonam, Isaiah A. Ngedu, 2023-09-21 There are numerous different democratic systems in Africa from the Igbo institutions that date back to the 15th century to Western style democracy introduced by colonial powers But what does democracy really mean for African nations And what effect does it have on the lives of their people This is the first comprehensive examination of the social and political consequences of democracy in Africa Written from an African philosophical perspective leading and emerging scholars explore the impact of democracy in a continent dealing not only with the perennial issues of leadership failure poverty and corruption but also with contemporary global concerns such as immigration digital media and COVID 19 With a focus first and foremost on the African people this pioneering volume investigates how the challenges of democracy as a system affect their lived experience Looking in particular at the sub Sahara it reveals the influence that the failures of democracy have on fundamental needs including allocation of primary resources autonomy welfare free speech and women s rights African Democracy Impediments Promises and Prospects gives an unflinching insight into the struggles caused by democratic governance in Africa whilst also crucially pointing to its accomplishments and the future possibilities for African nations *A Workshop on the New National Policy on Education* ,1977 Caribbean Journal of Education ,1981 Africa's Radicalisms and Conservatisms ,2022-10-31 Volume II of Africa s Radicalisms and Conservatisms continues the broad themes of radicalisms and conservatisms that were examined in volume I Like volume I the essays examine why the two isms of radicalisms and conservatisms should not be viewed as mere irreconcilable conceptual tools with which to categorize or structure knowledge The volume demonstrates that these concepts are intertwined have multiple and diverse meanings as perceived and understood from different disciplinary

vantage points hence the deliberate pluralization of the terms The twenty two essays in the volume show what happens when one juxtaposes the two concepts and when different peoples lived experiences of politics pop culture democracy liberalism the environment colonialism migration identities and knowledge etc across the length and breadth of Africa are brought to bear on our understandings of these two particularisms Contributors are Adesoji Oni Admire M Nyamwanza Akin Tella Akinpelu Ayokunnu Oyekunle Bamidele Omotunde Alabi Charles Nkem Okolie Craig Calhoun Diana Ekor Ofana Edwin Etieyibo Folusho Ayodeji Gabriel Akinbode Godwin Oboh Joseph C A Agbakoba Julius Niringiyimana Lucky Uchenna Ogbonnaya Maxwell Mudhara Muchaparara Musemwa Nathan Osareme Odiase Obvious Katsaura Okpowhoavotu Dan Ekere Olaniran Olakunle Lateef Omolara V Akinyemi Owen Mafongoya Paramu Mafongoya Philip Onyekachukwu Egbule Rutanga Murindwa Sandra Bhatasara Takesure Taringana Tunde A Abioro Victor Clement Nweke William Muhumuza and Zainab M Olaitan
