An Alpha's Claim E. Bowser, 2022-01-28 Dax Rayne swore off Hunters long ago for how they treated his kind That is until a Hunter named Devana Okar entered his life with visions of rogue wolves and with the scent that she is his MATE Dax wasn't expecting the True Alpha of all Wolves to come to him with a mission involving working with a Hunter A mission to stop a rogue wolf from killing other Alpha's and taking control of their packs Being an Alpha himself he knew it was a matter of time before this rogue Alpha would be at his doorstep What made finding this rogue more dangerous were the visions of this wolf working with something evil The only time a Hunter gets involved in matters that belonged to the pack is if the problem had anything to do with demons Dax had to protect his pack from what was coming and come to terms with Devana a Hunter who is his MATE Devana has had visions of evil all of her life that affect anyone that she is close to Her visions always had something to do with a Hunter and a demon which helped her fellow Hunters fight against evil Until one night Devana dreamt of a smokey gray wolf whose eyes glowed the deepest crimson as he slaughtered an Alpha along with his entire pack Devana saw pack after pack that would be targeted if she didn't stop her vision from happening She knew once her eyes opened that she would have to call a meeting with the top Alpha of all Quinn Savir Devana wasn't expecting that her call would be answered When the call was answered she didn't expect to work with Daxton Rayne the white wolf with the violet eyes whose pack would be victims of this possessed rogue wolf Devana along with every other Hunter knew exactly how much Dax and other shifters hated their kind When Devana and Dax came face to face everything changed with just one word MATE Will Dax manage to put aside his hatred for Hunters to be able to claim his mate Can Devana finally let herself get close to someone who may be able to handle the gifts she comes with How will Dax and Devana keep his pack and all wolf shifters safe from a demon possessed wolf
