MOO-LAH-GY Kelly Lucente, 2016-01-07 What is brand and why should anyone care The idea of branding began as a simple solution for a person to know their cattle from the neighbor's Today it's about evoking an emotion so strong that a customer wants to buy from you versus anyone else in your space This book helps distill down the pieces necessary to create that one of a kind gotta have it brand

Face your brand! The visual language of branding explained, *Designing brand identity* Alina Wheeler, 2003

The Cultural Side of Innovation Dany Jacobs, 2013-11-12 In most discussions about the knowledge based economy innovation is associated or even equated with technology while culture's influence is ignored Innovation is however embedded in cultural and social contexts and neglecting these crucial contexts may impede an innovation's diffusion and eventual success This book places culture at the center of discussions on innovation beginning with a comprehensive introduction to innovation's various forms including the history sociology and economics of innovation Insights from marketing and psychology are integrated into a complexity theory framework which are then utilized to evaluate case studies of organizations experiencing repeated innovation successes The sometimes fraught relationship of firms to creativity is discussed and a new model for calculating the creativity of an economy is presented
