blessings of protection deliverance and security the people of God need to digest divine sermons The sooner we understand that God is the one who has the final authority over all the better off we will be Avoid wasting a lot of energy worrying about things that are already under his control God is still at work Mankind should seek every opportunity to be converted The term conversion refers to the human response to the gospel Conversion requires the commitment of the total personality intellect emotion and will This is how people respond to the message of the gospel when they understand the nature of Christs atonement They feel the guilt of conviction love God and surrender their wills to the offer of salvation Satans forces of darkness are highly structured for the most destructive purposes Therefore sermons with spiritual strength and courage are needed for our spiritual warfare If you want to win the struggle against sin depression evil thoughts immoral behavior and demonic bondage then submit to divine sermons If we are not listening to divine sermons we will drift off Gods pathway and be controlled by the old nature and its appetites *Never Try to Teach a Pig to Sing* Alan Dundes, Carl Pagter, 1991-06-01

Never Try to Teach a Pig to Sing documents the thriving folklore tradition that circulates in the workplace *Never Try to Teach a Pig to Sing* documents the thriving folklore tradition that circulates in the workplace Alan Dundes and Carl Pagter have collected more than two hundred and fifty signs of the times the office memoranda parodies cartoons and poems that daily make their way through copy machines interoffice mail systems and fax machines and are affixed to bulletin boards and water coolers The rich vein of urban folklore tapped by this imaginative volume constitutes a great testament to one of the world s most prolific authors anonymous The popularity of the items featured in this timely book is apparent by their reproduction in mass or popular cultural form as greeting cards plaques and bumper stickers reminding us of the inevitable interplay between folklore and mass culture Dundes and Pagter clearly demonstrate the existence of folklore in the modern urban technological world and refute the notion that folklore reflects only the past *Almost Erotic Stories* Marina
