of astonishing psychological sophistication which are now being confirmed by modern neuroscience With new high tech devices scientists can peer inside the brain centers that calm the inner storms of rage and fear They also can demonstrate that awareness training strategies such as meditation strengthen emotional stability and greatly enhance our positive moods The distinguished panel members report these recent findings and debate an exhilarating range of other topics What role do destructive emotions play in human evolution Are they hardwired in our bodies Are they universal or does culture determine how we feel How can we nurture the compassion that is also our birthright We learn how practices that reduce negativity have also been shown to bolster the immune system Here too is an enlightened proposal for a school based program of social and emotional learning that can help our children increase self awareness manage their anger and become more empathetic Throughout these provocative ideas are brought to life by the play of personalities by the Dalai Lama s probing questions and by his surprising sense of humor Although there are no easy answers the dialogues which are part of a series sponsored by the Mind and Life Institute chart an ultimately hopeful course They are sure to spark discussion among educators religious and political leaders parents and all people who seek peace for themselves and the world The Mind and Life Institute sponsors cross cultural dialogues that bring together the Dalai Lama and other Buddhist scholars with Western scientists and philosophers Mind and Life VIII on which this book is based took place in Dharamsala India in March 2000

**Destructive Emotions** Daniel Goleman,2004 This work brings together ancient Buddhist wisdom and contemporary breakthroughs in a wide variety of fields from neuroscience to child development to offer insights into how we can recognize and transform the destructive emotions that pose grave dangers to our individual and collective fate *Destructive Emotions* Daniel Goleman,2014 *Destructive Emotions* ,2004 A dialogue between the Dalai Lama and a group of scientists and philosophers unites research in education psychology and neuroscience with Buddhist practice to discuss how to cope with transform and eliminate negative emotions

**Emotional Intelligence** Daniel Goleman,2009-07-20 A 25th anniversary edition of the number one multi million copy international bestseller that taught us how emotional intelligence is more important than IQ a revolutionary paradigm shattering idea Harvard Business Review Featuring a new introduction from the author Does IQ define our destiny In his groundbreaking bestseller Daniel Goleman argues that our view of human intelligence is far too narrow It is not our IQ but our emotional intelligence that plays a major role in thought decision making and individual success Self awareness impulse control persistence motivation empathy and social deftness all are qualities that mark people who excel whose relationships flourish who can navigate difficult conversations who become stars in the workplace With new insights into the brain architecture underlying emotion and rationality Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us

**The Dalai Lama at MIT** Anne Harrington,Arthur Zajonc,2008-04-30 The meeting captured headlines the waiting list contained nearly 2000 names If you were unable to attend this book will take you there Including both the conference papers and the animated discussion and debate they generated it reveals scientists and

monks reaching across a cultural divide to share insights studies and enduring questions      The Art of Emotional Resilience Molly Dahl,2021 We all have emotions yet how well do we understand them Can we explain what they are In The Art of Emotional Resilience author Molly Dahl discusses what the emotions are why we have them and what we can do to enjoy more of the positive ones She shares what we can do to understand and change the powerful negative emotions that sometimes run away with our logical thinking and good behavior Based on the research and practices from the fields of positive psychology and emotion science Dahl provides several tools and interactive exercises to guide you through an exploration of your emotional landscape You ll come to understand the differences between emotion and behavior patterned reactions and considered responses and a life of suffering versus a life of well being Dahl offers an in depth look at emotional resilience helping you to manage stress quiet your mind and live a fulfilling life      **Life Advice from Below** Eric C. Hendriks,2017-07-03 In Life Advice from Below Eric C Hendriks offers the first systematic comparative study of the globalization of American style self help culture and the cultural conflicts this creates in different national contexts The self help guru is an archetypical American figure associated with individualism materialism and the American Dream Nonetheless the self help industry is spreading globally thriving in China and other seemingly unlikely places Controversy follows in its wake as the self help industry operating outside of formal education and state institutions outflanks philosophical religious and political elites who have their own visions of the Good Life Through a comparison of Germany and China Hendriks analyzes how the competition between self help gurus and institutional authorities unfolds under radically different politico cultural regimes This witty book charms its way through a very serious sociology of the seriously quirky field of self help books Read it for its fascinating pop culture insights and you ll come away with a deep understanding of contemporary sociological theory Highly recommended Salvatore Babones University of Sydney Hendriks finding that Germany rather than China is more resistant to self help gurus offers a powerful corrective to the assumption in much of the globalization literature that the greatest cultural divide is between the Anglo Western European sphere and the rest of the globe Rodney Benson New York University      **The Emotional Intelligence of Jesus** Roy M. Oswald,Arland Jacobson,2015-01-22 Faith leaders are surrounded by people constantly navigating mazes of different personalities emotional levels and individual characteristics Working with committees individuals and other leaders is critical to successfully moving an organization forward and representing a congregation with credibility and effectiveness Not every leader however is born with the inherent ability to effectively communicate and relate with others That ability is called Emotional Intelligence perceiving controlling and evaluating emotions Emotional Intelligence is widely studied in the business world to help improve leader effectiveness The Emotional Intelligence of Jesus introduces readers to the ways emotional intelligence can enhance their work in faith settings Authors Roy M Oswald and Arland Jacobson highlight the emotional intelligence of Jesus illuminating the remarkable ways he related to a diverse array of people then show how these lessons can enrich the ministry of faith
