Lâle Demirtürk, 2012-07-20 This book examines the post 1990s African American novels namely the neo urban novel and develops a new urban discourse for the twenty first century on how the city as a social formation impacts black characters through everyday discursive practices of whiteness The critique of everyday life in a racial context is important in considering diverse forms of the lived reality of black everyday life in the novelistic representations of the white dominant urban order African American fictional representations of the city have political significance in that the neo urban novel explores the nature of the American society at large This book explores the need to understand how whiteness works what it forecloses and what it occasionally opens up in everyday life in American society A Look At The Main Characters In Walter Mosley's 'RL's Dream' , 2004-04-06 Seminar paper from the year 2002 in the subject American Studies Literature grade A USA 1 Southern Connecticut State University English Department course Contemporary African American Literature language English abstract The aim of this paper is to encourage reflection on Walter Mosley s RL s Dream In the first part I

will briefly present the author of the novel because I believe that it is crucial to know the background of an author to fully understand his work. Walter Mosley himself is a person of mixed parentage just as the character of Randy In his early childhood Mosley might have struggled to find his identity a topic which is also very present in RL's Dream. I will then give a short synopsis of the novel in the second section before outlining the particular style of narration Mosley uses and its relation to the blues. The main part of this paper deals with characterization. I will take a closer look at Kiki Waters, Atwater, Soupspoon, Wise Mavis, Spivey, Randy and Chevette. All of the major characters suffer from some kind of problem that has mainly to do with their experiences of the past. I will shed light on the characters and point out their particular problems. I will analyze the causes and attempt to interpret the character's behavior.

Understanding Walter Mosley Jennifer Larson, 2016-10-31. A survey of an award-winning author's extensive corpus written across a broad range of genres. Walter Mosley is perhaps best known for his first published mystery *Devil in a Blue Dress* which became the basis for the 1995 movie of the same name featuring Denzel Washington. Mosley has since written more than forty books across an impressive expanse of genres including but not limited to nonfiction, science fiction, drama, and even young adult fiction, garnering him many honors including an O. Henry Award, an Anisfield-Wolf Book Award, a Grammy Award, a Pen Center Lifetime Achievement Award, and two NAACP Image Awards for Outstanding Literary Work in Fiction. In *Understanding Walter Mosley*, Jennifer Larson considers Mosley's corpus as a whole to help readers more fully understand the evolution of his literary agenda. All Mosley's texts feature his trademark accessibility as well as his penchant for creating narratives that both entertain and instruct. Larson examines how Mosley's writing interrogates, complicates, and contextualizes recurring moral, social, and even personal questions. She also considers the possible roots of Mosley's enduring popularity with a diverse group of readers. Larson then traces key themes and claims throughout the Easy Rawlins series to show how Mosley's beloved hero offers unique perspectives on race, class, and masculinity in the mid to late twentieth century. She explores the ways in which Fearless Jones, Mosley's second detective, both builds on and diverges from his predecessor's character and looks at how the works featuring Leonid McGill, Mosley's junior detective, center on understanding the complex relationship between present-day social dilemmas and the personal as well as the communal past. Regarding Mosley's other genres, Larson argues that the science fiction works together to portray a future in which race, class, and gender are completely reimagined yet still subject to an oppressive power dynamic, while his erotica asks readers to reconsider the dynamics of power and control but in a more personal, even intimate context. Similarly, in Mosley's nongenre fiction, stories are revived through a reconnection with the past, a reclaiming of cultural heritage and lineage, and a rejection of classist visions of power. Finally, Mosley's nonfiction, which persuades his audience to act through writing, humanitarian efforts, or social uprising, offers a mix of lessons aimed at guiding readers through the same questions that inform his fiction writing.

Since the terrorist attacks of September 11 2001 world politics have increasingly mirrored plots of detective novels with high profile criminal investigations that cross multiple borders and the internationalized law enforcement practices associated with the War on Terror *Policing Narratives and the State of Terror* examines the relationship between domestic policing and international policy through an analysis of contemporary popular detective fiction police procedurals police autobiography security reports and chronicles of domestic spying Robin Truth Goodman connects these accounts of policing to the changing shape of the contemporary nation state marked by the denationalization of labor commercial and criminal laws that jump borders more quickly than civil law protections and the replacement of legal precedent by unrepeatable exceptional executive decisions Working at the intersection of literature international law and globalized commerce Goodman astutely pinpoints how policing has become an increasingly troublesome instrument of empire particularly in terms of national sovereignty and the growing numbers of mercenary private security forces

African American Novels in the Black Lives Matter Era E. Lâle Demirtürk, 2019-08-09 *African American Novels in the Black Lives Matter Era* Transgressive Performativity of Black Vulnerability as Praxis in Everyday Life explores the undoing of whiteness by black people who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability It studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters showing how they use strategic performances of Blackness to enable subversive practices in everyday life which is constructed and governed by white mechanisms of racialized control The agency portrayed in these novels opens up alternative spaces of Blackness to impact the social world and effects transformative change as a forceful critique of everyday life *African American Novels in the Black Lives Matter Era* shows how these novels reformulate the problem of black vulnerability as a constitutive source of the right to life in their refusal of subjection to vulnerability enacted by white institutional and individual forms of violence It positions a white black encounter oriented reading of these

neo resistance novels of the Black Lives Matter era as a critique of everyday life in an effort to explore spaces of radical performativity of blackness to make happen social change and transformation
